

WORSHIP IN THE KEY OF LIFE

Linda McKechnie's music is so stunning it is difficult to describe in words. Linda's piano artistry and the orchestrations by her brother, Don Marsh have resulted in music that delights audiences around the world. Innovative arrangements, blending traditional and contemporary Christian music with classical themes, gives hymn texts and worship choruses a new, fresh, powerful perspective.

The music on this collection has not been duplicated by any other artist. Linda expresses her faith through her music. As you listen, her passion and love for classical music and the hymns of faith make this recording come alive. The result is that you are invited to partake in an experience of worship that brings joy as you are lifted into the presence of the Almighty.

We invite you to experience the beauty and majesty of this recording, to sing along, to worship and be renewed in Christ's love and joy.

"As I listen I find myself worshipping the Lord. Thank you for your commitment to Him, and for the genius He gave you in linking our loved old hymns with the classics. I am richer because of you!"

— Ruth Bell Graham (wife of evangelist Billy Graham)
